Re: Application of CLS Utilities, LLC for Approval of the Agreement, Bond, Operation,
Monthly Rate and Service Area for the Sewage Pump Station in the Harvest Glen
Subdivision in Greenville County, South Carolina
Docket No.: 2008-94-S

Dear Mr. Terreni:

Please allow this correspondence to serve as notification that the Office of Regulatory Staff does not oppose the Motion to Bifurcate filed by the Applicant in this matter on June 9, 2008. ORS does not object to this docket moving forward for Commission approval on the issues of certification, the establishment of rates and charges and related issues. ORS understands that if the Applicant's Motion is granted and the Applicant is unable to produce the Pump Station Agreement for Commission approval at the hearing in this matter on June 26, 2008, that the Applicant will file requesting Commission approval of the pump station agreement upon its execution by all parties.

Thank you for your consideration in this matter. If you have any questions, please do not hesitate to call me.

Sincerely,

Jeffrey M. Nelson
